RECORD SALES FOR K2 REALTY AND LOST TREE VILLAGE IN 2013

The year 2013 has seen record breaking sales in Lost Tree Village. As of December 1st, there have already been 43 sales – more than twice as many as there were in all of the year 2012. K2 Realty has proudly brought the buyer for 27 out of 43 of these transactions, accounting for 62.79% of the total business and almost four times as many sales as the next leading real estate company in Lost Tree Village. K2 Realty has also been the listing agent for 24 out of 43 sales.

 Procured the Buyer
 for the Sale)*

K2 Realty has sold more properties than any other real estate company in Lost Tree Village in every single year since 2005. Additionally, K2 Realty has sold more properties in 2013 than all other real estate companies combined. K2 prides itself on being able to bring qualified buyers to the table, as evidenced by the fact that K2 has 27 sales so far this year while the next leading real estate company has only seven.

Thank you for allowing K2 Realty to help you with all of your real estate needs. We greatly appreciate your support and will continue to work diligently to earn it.

Sincerely,

Paul Kaneb
